18th January 2012

Dear Parent/Carer

BIRTHDAYS - NON UNIFORM

I am pleased to advise that on your child's birthday they may come to school in non-school uniform.

Please note that they may only attend in non-uniform on their actual birthday and not on a different day if a birthday falls at the weekend or in school holidays.

We hope that this will increase your child's enjoyment on their birthday and that other children and staff will be able to recognise that it is their special day.

Please do not hesitate to telephone or come and see me if you have any questions regarding this.

Yours sincerely

Mrs L Gould
