

# Consent Form for Photography and Images of Children

Dear Parent or Carer

During your child's life at White Meadows Primary Academy we will take photographs and/or videos of activities that involve your child. These may be used for moderation, displays, publications, by the Local Authority (LA) or by local newspapers or on our school web-site/social media eg Twitter. The school may take photographs, videos and webcam recordings of children for educational purposes. Images of your child are also used within the school management system for official records, identification, assessment and lesson activities. Images used in this way are not shared publically in any form. If an image of your child is used on our school website or school social network feeds, they are not identified by name without additional consent.

When photography or filming is carried out:

- Photography or filming will only take place with the permission of the Head of School and under appropriate supervision.
- If taken by the news media, children may be named but home addresses will never be given out.
- Photographers acting on behalf of the school may be used to take images.
- The images will not be associated with distressing or sensitive issues.
